

# Ashkan Ebtekari

## SOFTWARE DEVELOPER

---

### About

An enthusiastic software developer. I'm super interested in writing software and ethical hacking. Since I was a child, I have always wondered and dreamed of making apps and hacking as part of my future life. I used to build things and solve problems daily; my life is surrounded by technology and problem-solving and always performing my ideas and solutions and contributing to open-source projects for a better community and world.
